REMARKS

25X1

20 July 1949

25X1 1. The ROSTOCK-MARIENEHE (M 55/0 82) airfield was not occupied. The concrete landing field was intact, but the hangars were destroyed.

2. A match factory housed in the former Heinkel Plant was in operation. Another factory was under construction.

25X1

26 July 1949

3. The runways of the ROSTOCK-MARIENEHE airfield were not destroyed but in bad condition. The pumping installation for the drainage of the field was dismantled. All former buildings were torn down. The field was not occupied or guarded.

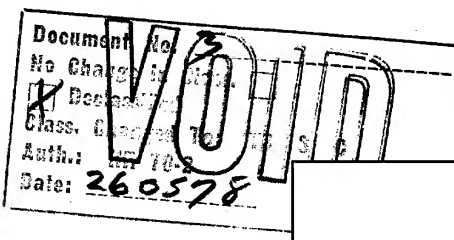

25X1

Comment:

a. The condition of the ROSTOCK-MARIENEHE airfield has not changed. There were no indications of an intended occupation of the airfield by an air unit.

b. The existence of a match factory is known from previous reports.
